Our family's local business makes compliance easy. We respond quickly, develop a solution just for you, schedule based on your availability, and make it affordable."

*– Christopher Jones,
Owner & Consulting
Team Leader*

A green-tinted photograph of a document shredding machine in an industrial setting. The machine is a large, complex piece of equipment with various rollers and a hopper. The background shows a corrugated metal wall and some structural elements of the facility. The overall lighting is dim, with a strong green color cast.

WHETHER ONE-TIME OR A
SCHEDULED PROGRAM, WE
CAN REDUCE THE COST OF
YOUR COMPLIANCE WITH
THE **SHREDDING SERVICE**
THAT'S RIGHT FOR YOU!

ONSITE

We will destroy your sensitive documents with our onsite, mobile shred truck quickly & conveniently while you watch.

ANNUAL PURGE

One-time paper shredding services are ideal for annual clean outs, freeing up valuable office space. We protect your sensitive information and lighten your load.

OFFSITE

At our secure shred facility, we will affordably destroy your confidential materials while adhering to the highest standards of the shredding industry.

RECURRING

Our routine shredding service starts at half the cost of a small office shredder. Save your money and focus on what you do best while we maximize your compliance.

SRS has assisted our organization with huge shredding projects. Their commitment to customer service is clear in every interaction.

*– Lauren R.,
Thomasville, GA*

Secure Records Solutions delivers the highest document shredding standard to all of our clients, adhering to the stringent procedures established by the National Association for Information Destruction. Honoring our commitment to sustainability, we recycle 100% of our shredded material, resulting in energy savings of approximately 65% through saved trees, gallons of oil & water, and reduced carbon emissions.
